Dear Potential Sponsor,

The Asperger Syndrome and High Functioning Autism Association (AHA), a non-profit 501(c)(3) organization, would be honored if you would join us as a sponsor in celebration of our 30th Anniversary. Your sponsorship will allow AHA to continue the vital work it has done for the past 30 years, providing crucial services that meet the unique needs of families and individuals on the autism spectrum.

AHA is a member based organization staffed primarily by dedicated volunteers. Our accomplishments are made possible only with the help of committed donors like you. More than 80% of every dollar raised by AHA goes directly to providing support and resources to the families and individuals we serve.

The funds that are raised go to help AHA provide:

- One-to-one phone and e-support to families and adults dealing with autism
- Thoroughly researched scientific recommendations about professionals and quality resources locally, nationally, and internationally
- More than 10 monthly free meetings to support families, teens and adults
- Renowned biannual educational conferences and advocacy to address the multiple challenges faced by children, teens, and adults on the spectrum with the goal to facilitate positive change
- Highly informative bimonthly eNewsletter sent to over 5000 and *On The Spectrum*, our biannual print publication and much more

We appreciate your consideration of the opportunity to help AHA maintain and expand its valuable services and programs. Please find attached our sponsorship packet as well as a link to our site. I would be happy to discuss further or provide any additional information you may need.

Please note that under IRS code 501(c)(3), your contribution to AHA is tax deductible. We greatly appreciate your support and the difference it makes to AHA's ability to serve the autism community. Thank you in advance for your generosity and support.

Best Regards,
